No 42/2

Has the honor to solicit sanction to the discontinuance of the practice of giving cooked food to travellers in the Government Chatram at Komarunahalli of the Haribar Sub-Taluk. This practice benefits the numerous Chatram servants more than bonafide travellers. The system of issuing raw rations would be more to the advantage of the latter. There are at present six servants attached to the Chatram receiving cash salaries aggregating Rs 152-4-0 per annum, besides getting a daily allowance of

of raw rations. They thus consume an unduly large proportion of the Fastik, which annually amounts to Rs 452-3-a. With the discontinuance of the practice of issuing cooked food, the necessity for the retention of such a large establishment would disappear. A waterman on five Rupees and a Sweeper on two Rupees would be quite sufficient. The waterman will of course cook food for weak or sickly travellers who may occasionally need such service.

2 The other Servants may be done away with by payment of Gratuity at half a months Salary for each year of complete service. The total Gratuity thus payable would come to about Rs 50.

Read

Docket No. 42 dated 12th July 94 from the Dy Commr Chitaldrug Dist, soliciting ~~sanction~~ sanction to introduce the system of issuing raw rations in lieu of cooked food in the Govt Chattram at Komaranahalli of the Harihar Sub Taluk.

No. 186-7 / Mis 721-94 dt 22/23/8/94.

Order thereon —

The Dy Commr reports that the system of issuing raw rations is of great advantage to the bonafide travellers, that there are at present six servants attached to the

the Chattram receiving
~~Cash~~ salaries in Cash amount-
-ing to Rs. 152-4-4
per annum or Rs. 12-11-4
per mensem in addition
to the daily allowance
of raw rations, that
they thus consume an
~~t~~ unduly large pro-
portion of the Sasdikh
and that if the practice
of giving cooked food
be discontinued, the
establishment also can
be reduced and pro-
poses that one waterman
on Rs 5/ and a sweeper
on Rs. 2/ per mensem
may be retained and
that the posts of the
other servants may be
abolished.

2. Under the above
circumstances, the

the proposal to issue rare rations in the Govt. Anna Chattram at Thomarnahalli is sanctioned.

3. The future establishment and feeding allowance of the Chattram will be as specified below:

1 Waterman	Per mensem	02-8-0
1 Sweeper	"	5-0-0
	"	2-0-0
	Total	7-0-0
Feeding allowance		30-10-11
Grand total		37-10-11

4. The posts of the other servants will be abolished from the 1st Sept. 94. and the Dy Commr is

is requested to forward to this office a statement shewing their age, period of service and other necessary details.

5. The waterman in addition to supplying water to travellers will also cook food for aged or sickly travellers that may stand in need of such help.
